Adopt-a-Planter

Working in cooperation with The City of Red Deer, the Downtown Business Association launched the Adopt-a-Planter program for members last summer. The pilot project's aim was to beautify the downtown and improve the streetscape with florals. The planters are a part of the new street furniture and fixtures that continue to be installed by The City of Red Deer.

Under the Adopt-a-Planter program, participating businesses will have a permanently-fixed planter installed in front of their business, filled with soil mix and flowers ready for planting and are required to pay the one-time fee of \$125 and commit to planting and maintaining (including watering) the flowers for three seasons until 2010.
